

<https://www.astralpower.com/solarize-columbia-county-ny/>

Go to the link provided, you will be directed to the sign-up portal- when they click "**Get Started**". Choose - **Solarize Columbia County**, and now you will be on the Sign-Up page. Enter your name, email address, zip code, phone number and Utility Company. The **LMI/Share Program** does not apply to NY, so please use the pull down menu and choose "**NO**". How you heard about us- choose- **Partner Organization**, or any of the available choices. On the next page click the red "**Select**" button. On the final sign-up page enter your address, name on utility bill, account number, and "**Continue**". This will take you to your community solar agreement which you can read through and sign electronically by following the prompts. The 1st 2 pages of the agreement are the Disclosure Form, and summarize the terms of the agreement.

Important Details

- Community Solar subscription is NOT an agreement with a 3rd Party Energy Supply Co. We do not discount your kWh rate, but instead you receive savings from solar credits.
 - Community Solar is a state program overseen by NYSERDA
- It's a 25 year agreement, and you can cancel any time in the 25 years w/out penalty with a 90 day Notice to Cancel.
- The savings is 10% off the value of credits which appear on your electric bill once the solar project is "live" for 2 meter readings ex. If the credit is \$100, your savings that month = \$10 (which is subtracted from your electric charges on your bill)

****National Grid**** Subscribers will be asked to send us a complete copy of their National Grid electric bill.
